Let's Ring Freedom Bells on the Fourth of July

Back in 1963 President John F. Kennedy encouraged Americans by proclaiming "Let's ring freedom bells!" to honor the signing of the Declaration of Independence. When it was signed in 1776, crowds were said to go wild with pride and joy at attaining their independence from British rule. Kennedy asked that all Americans show their pride and joy by ringing bells at 2 p.m. on July 4, 1963. With the turmoil our

nation faces each year for trying to ensure the freedom of not only our citizens but those of citizens all over the world, this Fourth of July would be a great time to thank God for the many blessings he has bestowed upon our nation. This small act costs nothing but a few minutes of one's time. It would make a dramatic statement if church bells, keys, and phone apps rang out for freedom across our nation!

Slide repairs to begin next week in Bracken County

The Kentucky Department of Transportation had announced slide repairs are set to begin on KY 1159, Walcott Wellsburg Road, and KY 1951, Snag Creek Road, as early as next week. Beginning Monday, July 7th through July 12th, KY 1159 (Walcott Wellsburg Road) will be closed to thru traffic while crews conduct a slide repair project. Work will be done during daylight hours. Local traf-

fic will have access. Motorist should seek an alternate route during this project. Beginning Monday, July 14th through July 31st, KY 1951 (Snag Creek Road) will be closed to thru traffic while crews conduct a slide repair project. Work will be done during daylight hours. Local traffic will have access. Motorist should seek an alternate route during this project.

Augusta Firemen hold annual Fourth of July celebration

The Augusta Volunteer Firemen will be hosting their annual 4th of July festivities on Thursday, July 3rd and Friday, July 4th. Beginning at 5 p.m. both nights, there will be bingo, hamburgers, and hotdogs. On Friday, snow cones, cotton candy and their famous fish fry will be added to the menu. Also on Friday, fire engine rides will begin at 5 p.m. followed by an annual bicycle give-a-way. The evening will then

come to a close with a spectacular array of colors as the firemen present their FIREWORKS display beginning at 10 p.m. Plan now to enjoy a good old fashioned hometown 4th of July. Bring your favorite lawn chair or a blanket to spread on the ground and spend the evening with family and friends. You may just be taken back to fond 4th of July memories of your childhood as the fireworks display begins.

Augusta receives royal visit

The American Queen riverboat was docked along the Riverwalk in Augusta on Friday, June 27. Passengers disembarked and took tours of the city, winery, and local shops, before continuing on their trip.

Officials urge extreme caution when using fireworks this season

The Kentucky Division of Fire Prevention and the Kentucky fire marshal encourage Kentuckians to attend community celebrations instead of celebrating with fireworks at home. "Setting off fireworks at home runs the risk of injury and may also run the risk of violating local ordinances and state law," said state Fire Marshal Bill Swope. "I recommend that families attend local firework displays instead of celebrating with fireworks at home. Let the professionals entertain your family." "Citizens also should be aware of potential prohibitions against celebrating with fireworks as local governments can set their own fireworks bans," Swope added. But if you insist on celebrating at home, Swope said safety and supervision are keys to a successful celebration. He offers the following tips to keep your family safe over the upcoming July 4th holiday and throughout the summer: Use fireworks outdoors only. Obey local laws. If fireworks are not legal where you live, do not use them. Always have a bucket of water or a working water hose nearby. Only use fireworks as in-

tended. Don't try to alter them or combine them. Never relight a "dud" firework. Wait 20 minutes and then soak it in a bucket of water. Use common sense. Spectators should keep a safe distance from the shooter and the shooter should wear safety glasses. Alcohol and fireworks do not mix. Have a "designated adult shooter." Do not use homemade fireworks or illegal explosives: They can kill you. Report illegal explosives to the fire or police department in your community. Fireworks for sale to the public are clearly marked as 1.4 fireworks. Adult supervision is required at all times while using fireworks. According to state law, people under 18 cannot sell fireworks unless supervised by a parent or guardian; people under 18 cannot purchase fireworks; fireworks cannot be used within 200 feet of a structure, vehicle or other person; and fireworks cannot be sold to anyone who is under the influence of drugs or alcohol. In addition, local vendors and citizens are required to comply with any and all local ordinances that apply to the sale, purchase and use of fireworks. Information about firework safety and the sale of fireworks in Kentucky can be found at <http://dhbc.ky.gov/sfm/Pages/Fireworks.aspx>.

BCMS students enjoy trip to Toyota

Students attending and pictured above in no order were: Alyssa Bex, Garrett Teegarden, Zach Mains, Hannah Welte, Elena Insko, Rocky Insko, Kaleigh Appleman, Kimberly Spencer, McKenzie Sebastian, McKaylee Sebastian, Katie Stanton, Tanner Fisher, Tad Fisher, Gracie Wills, Katie May, Josh Fathergill, Kyndal Dotson, Jaclyn Walling, Dominick Blevins, Noah Alford, Shelton Tackett, Sarah Crouch, Chris Thomas, and Madelynn Caudill. Chaperones were: Vicki Fisher, Daniel Fisher, Mary Beth Appleman, and Garland Davis.

Bracken County Middle School students attended a field trip to Toyota Motor Manufacturing Kentucky (TMMK) on June 18. TMMK is located in Georgetown, Kentucky and is the largest Toyota plant outside of Japan. TMMK manufactures about 2,000 Toyota vehicles every day and currently produces the Camry, Avalon, and Venza. BCMS students learned about the process used to build cars, starting with rolled up steel and ending with the finished car being driven off the lot. Through the assembly line, students were given insight on the importance of teamwork and safety on the job. During the plant tour, students saw robots, overhead conveyors, stamping, welding, and many other components used to produce a Toyota vehicle.

Distracted driving affects all

Submitted by: Shannon Smith, CEA for Family and Consumer Sciences

We live in a world with information readily available at our fingertips 24/7. While this is a great convenience, it can be dangerous if you are behind the wheel.

According to the U.S. Department of Transportation, at any given second in the United States, an estimated 660,000 people are driving while using a cell phone or manipulating an electronic device. In 2012, over 3,000 people died and around 420,000 more were injured in automobile accidents involving a distracted driver.

Distracted driving includes any action that takes your eyes off the road. While distracted driving includes everything from cell phone use to grooming, texting is considered the most dangerous act by far. When a person is texting, it requires visual, manual and cognitive attention.

In Kentucky, it is against the law for drivers to text while behind the wheel. The state has also banned all cell phone use for novice drivers and bus drivers.

Even if you're not responding or composing a text, reading one can be just as dangerous. It takes the average person five seconds to read a text message. During that five seconds, if the person is driving 55 miles per hour, they could drive the length of a football field without paying attention to the road and traffic around them.

The best way to prevent distracted driving is not to do it and encourage your family members and friends to limit their cell phone usage while they are driving. If you are tempted, turn your cell phone off when you get in the driver's seat or put it in a compartment in your vehicle that you can't reach.

If you are a parent of a beginning driver, remind them that if a cop finds them texting or talking while behind the wheel, it could delay them getting their license or cause their license to be suspended.

Guess which one we chose? It's no secret that Kentucky is plagued by cancer. So when University of Kentucky Markey Cancer Center was honored as one of only 68 nationwide to be designated a National Cancer Institute cancer center, we knew that meant great things for Harrison Memorial Hospital, too. Through our partnership in the UK Markey Cancer Center Affiliate Network, our patients now benefit from cancer research funding. Add NCI-exclusive resources to our own HMH surgical team, and the result is the opportunity to eliminate colon, breast and gastrointestinal cancers one patient at a time. Thoughts and Meditations from the Scriptures

KINDNESS OR CRUELTY?

Ultimately, there are only two basic motives which animate us, kindness or cruelty. On the side of kindness is everything that unites and uplifts us: the kind or encouraging word, the helping or healing hand, the invitation to join the group and to be a part of the great family of God. On the side of cruelty is everything that divides and debases: the mean or cutting remark, the discouraging word, the clenched fist and the hand which pushes away, the barrier to inclusion which says you aren't welcome here. There is love and there is strife. Love unites; strife divides. Love is kind; strife is cruel. There is no third option here. You cannot be indifferent to the choice between kindness and cruelty. We should pray that we steadfastly choose to be on the side of kindness. - *Christopher Simon*

I expect to pass through this world but once. Any good therefore that I can do, or any kindness that I can show to any fellow creature, let me do it now. Let me not defer it or neglect it, for I shall not pass this way again. - *William Penn*

Looking Back Tabitha's Tidbits Compiled by The Bracken County Historical Society

George Washington Was Our First President, Wasn't He?

Well, maybe, depending on what laws we are using.

George Grant wrote "The Patriots Handbook" in which a chapter is titled 'The Forgotten Presidents.' In this piece, Mr. Grant relates that the Articles of Confederation document contained the rules for the new country beginning in 1781. A leader was elected by Congress: John Hanson, 1715-1783.

Mr. Hanson had read Seneca's practical philosophy and other works which helped him decide to join the patriotism around him. He had distinguished himself in various positions and activities, was a "brilliant administrator" and in 1777, a member of Congress.

During his term, just one year permitted by the Articles of Confederation, he persuaded the former fighting troops to calm themselves from their demand for their pay, which wasn't available.

Under his leadership, foreign soldiers had to leave, and the Great Seal of the United States, still being used today

was fixed upon. Also, there was organized the first Treasury Department, the first Secretary of War and the first Foreign Affairs Department. Besides these things, he ordered that the fourth Thursday of November should be Thanksgiving, as it is today.

He was also against the Constitution when that matter came to his attention.

Since he had only a one-year term by the Articles of Confederation, and the Constitution had not been written, there were six more Presidents before the Constitution was adopted: Elias Boudinot, 1783, Thomas Mifflin, 1784, Richard Henry Lee, 1785, Nathan Gorman, 1786, Arthur St. Clair, 1787, and Cyrus Griffin, 1788.

The Articles of Confederation were not as effective as first thought. That document required more agreement among the states than they were willing to give, so the Constitution was written and adopted in 1789. And that is when George Washington became our First President under the Constitution that we know today.

FIRST BAPTIST CHURCH OF AUGUSTA

by Rita Bradford

Hello & God's Blessings from The First Baptist Church of Augusta. Brother Tony's sermon was taken from Matthew Ch. 14 vs 27-31. It was titled "Comfort Zone". When we step out in faith & do what God has placed on our hearts, it is then, that we are at our closest walk with God.

We invite you to come join us as we continue our walk with the Lord. Our services begin with Wed. Night Prayer Meeting 7 p.m. Sunday School Classes 9:30 a.m. This week's lesson is titled "Glorify God With Your Body". This lesson will help you understand how what we do in the physical body affects our spiritual well being. Sunday Morning Worship is 10:30 a.m. Sunday Evening Service is 6 p.m.

PRESBYTERIAN POTPOURRI

by Les Grooms, pastor
Augusta Presbyterian

We spent four days at Camp Ruggles this past week. We were part of Marketplace. This is my 12th year and it gets better every year. There were 172 children registered for the event and over 50 adults assisting.

We are continuing with our soup supper meals on Monday night. We have decided to vary the menu during the summer months. This week we are providing meat loaf, mashed potatoes, green beans as well as desserts and iced tea, lemonade and another flavored drink.

I heard from my friend, Scott Hyden, this week and he has an interim job pastoring a local church. He is also exploring three other churches. He is doing well and we wish the best for him.

We are continuing our plans for Vacation Bible School. More about this later.

While at Marketplace, I found out there were many children who did not know the Lord's Prayer. To make sure that our children learn the prayer, I have delayed excusing our children for children's church until after the pastoral prayer and the Lord's Prayer.

Today we had 52 attending church. Joyce Gibson led the worship service, Susie Hargett led the singing, and Gretchen England had children's church. My topic of my sermon this week was from Matthew 10:40-42. This is the subject of the greatest sermon on caring for the less fortunate.

BERLIN BAPTIST

by Karen Cooper

We invite all to come and worship with our family of believers. Sunday services begin with Sunday School at 10:00 a.m., morning worship at 11:00 a.m. and Sunday night services are held at 7:00 p.m., message by Brother Dan Black.

This past Sunday was a wonderful time in the Lord at Berlin Baptist Church. Brother Dan's message was taken from John 14:1-3 and titled "Are you prepared for worship in heaven?"

GREETINGS FROM ST. JAMES

by Caroline Jefferson

Only three more weeks until our Ice Cream Social and 100th Anniversary Celebration and now is the time to get serious about the many preparations for this big, historical event! The pictures for the Pictorial Directory will be taken on July 10, 11 and 12 and we need for all parishioners to reserve a time slot. Donations of pop, bottled water, items for the Country Store and Silent Auction are needed as soon as possible. Sign-up sheets are located in the back of church, waiting for each parishioner to sign, giving the time and area(s) that they will be working on that date and Raffle tickets need to be sold! If anyone would like to purchase a raffle ticket, please see any St. James Parishioner!

Msgr. Dominic will be celebrating Mass at 7 p.m. on Friday, July 4, and this would be an excellent time to pray for continued independence for this country and for quality leaders. Mass this Sunday, July 6, will be to celebrate the 57th Wedding Anniversary of Charles and Mary Pat Hitch! May God continue to bless them with much happiness and good health as they journey together down life's path!

Augusta Presbyterian Church to host Weird Animals VBS: Where Jesus' Love Is One-of-a-Kind

A summer kids' event called Weird Animals VBS will be hosted at Augusta Presbyterian Church on Saturday, July 12th. At Weird Animals, kids will learn about some of God's most creative creations! They'll participate in memorable Bible-learning activities, sing catchy songs, play team-work-building games, make and dig into yummy treats, experience cool Bible adventures, collect Bible Memory Buddies to remind them they are one of a kind, and test out Sciency-Fun Gizmos they'll take home and play with all summer long. Plus, kids will learn to look for evidence of God all around them through something called God Sightings.

Weird Animals VBS is for kids from preschool to 6th grade and will run from 9 a.m. to 3 p.m. Breakfast of biscuits and gravy will be provided at registration and lunch will also be served. For more information, call 402-0286.

A SUMMARY OF CITY OF AUGUSTA ORDINANCE 2014-3

RELATING TO THE ESTABLISHMENT OF THE AUGUSTA REGIONAL SEWER AUTHORITY, INC. AND CHARGING SAME WITH OWNERSHIP, OPERATION AND MANAGEMENT OF DESIGNATED WASTEWATER FACILITIES AND THE DETERMINATION OF COST BASED RATES FOR WASTEWATER SERVICES.

THE FULL TEXT OF THIS ORDINANCE MAY BE VIEWED AT AUGUSTA CITY HALL DURING REGULAR BUSINESS HOURS.

The members of the Bracken County Fiscal Court, the members of the City Council of the 4th Class City of Augusta, and the members of the City Council of the 5th Class City of Brooksville have determined that the interests of their respective constituents are best served by joint and cooperative action to provide cost effective, high quality wastewater collection and treatment services to improve community health conditions, protect the natural environment and enhance the economic competitiveness of the regions. The City Council of Augusta finds that the wastewater collection and treatment center it currently owns and operates is in need of costly upgrading. The City Council of Brooksville finds that rehabilitating the wastewater collection and treatment center it currently owns and operates is not cost effective. The Bracken County Fiscal Court and Judge Executive have worked cooperatively with these cities in the wastewater planning process to best assure maintaining the water quality of its natural resources and to develop reasonably priced wastewater services to benefit Bracken County citizens and encourage beneficial growth.

Each party agree the above recitals to be a true and accurate statement of findings and that for and in the best interest and long-term benefit of its citizens each party intends to enter into a mutual agreement with all parties to create and establish a joint sewer agency for the purpose of purchasing, owning and operating regional wastewater facilities and appurtenances, and to such end shall establish a corporate entity statutorily constituting a "governmental agency", a "special purpose governmental entity", and a public body corporate, thereby subject to all statutes and regulations governing such entities.

Upon passage each party authorizes the creation of a non-profit corporation to be known as the "Augusta Regional Sewer Authority, Inc." ("Authority") to serve as an agent and instrumentality of the parties to own, operate and maintain wastewater treatment facilities for the wastewater needs of Augusta, Brooksville, and the adjacent unincorporated and unserved portions of Bracken County, and such Authority shall be empowered and authorized as generally and specifically set forth in the Ordinance.

Provisions relating to service rates, and to the funding and budget of the Authority and certain specific laws applicable to the Authority are contained in the Ordinance, along with provisions as to termination of the parties agreement and disposition of property; provisions relating to grants, loans, bonds, and other financing obligations, and provisions regarding liability of parties, members of legislative bodies, directors, officers or employees of the Authority.

The Authority shall be comprised of five individuals (directors), one director to be appointed by the County Judge Executive, two by the Mayor of Augusta, and two by the Mayor of Brooksville, initial terms to be varied by lot, and all subsequent terms to be for four years. Compensation of directors for time and expenses shall be dependent upon availability of resources, and shall be subject to approval of the parties.

Augusta, Brooksville and Bracken County further agree to assist and support the Authority to develop a funding package and procure engineering services. Augusta and Brooksville agree to coordinate with the Authority customer notices to all customers regarding the transition of wastewater service to the Authority; to sell and transfer to the Authority its current wastewater system assets and liabilities; to cease and decommission its current wastewater operations upon provision of same by the Authority; and to work with the Authority in establishing and enforcing rules concerning wastewater service. Bracken County agrees to assist where possible in obtaining county road easements, and with any reasonable request during the service transition period.

The parties agree that the Authority's articles of incorporation shall be submitted for filing with the Kentucky Secretary of State within thirty days after the passage and execution of the Ordinance, and construction of an initial portion of the facilities is anticipated to be not later than July 1, 2017.

Children Advocates needed for Bracken, Fleming and Mason Counties

CASA advocates are individuals who respect a child's inherent right to be safe, establish permanence and have the opportunity to thrive.

CASA's Mission: Our mission is to provide trained community advocates willing to provide a voice for children in court who are victims of dependency, neglect and/or abuse.

Qualifications for CASA Advocates: Must pass an extensive background check, must be 21 years of age, have a professional demeanor, some computer experience is required and have a high school diploma or GED.

Duties of CASA Advocates: Establish a professional and trustworthy relationship with each child assigned to a case. Advocates will visit the child every month and attend court hearings. They must be willing to research each child's situation and make objective recommendations to help them reclaim their childhood from dependency, neglect and/or abuse. Advocates are frequently the only constant presence in that child's life and the sole objective is to represent the best interests of the child in the court room.

CASA Advocates serve as an extra "pair of eyes and ears" in child welfare cases and are officers of the court.

Please help us protect our most vulnerable citizens. Become a powerful VOICE in a Child's Life.

A new volunteer training class will start July 10, 2014.

For more information, contact CASA at 606-563-7431.

Pendleton County Historical & Genealogical Society seeking Veterans pictures for book

The Pendleton County Historical and Genealogical Society has an upcoming project and we need the help of Pendleton County citizens. We are planning to publish a book to honor Pendleton veterans. In order for us to do this we need a picture of the veteran and a brief biography. The biography should include full name, parents' names, spouse, and children. If you would prefer, any living spouse or children would not be included. You should also include which branch of service, rank, where they served, and war if applicable. If your veteran is from a much earlier time or no picture is available, just the

biography is good since we want to include them.

We know these photos are precious to the family and therefore we will do a scan of your pictures if necessary. The Fryer House at Butler is open the first and third Tuesday of each month as well as the third Saturday of the month for our regular meetings. We can plan on doing a scanning on these dates. If you are unable to make any of these dates, contact us at: fryerhouse41006@gmail.com. Someone will reply to set up a date with you. You can email your veteran's picture and biography to this email address also. Or you can send it by mail to:

Pendleton County Historical and Genealogical Society, PO Box 130, Falmouth, KY 41040, Attention: Suzan Taylor.

Hayswood grant applications now available

Hayswood Foundation is now accepting applications for grants to be awarded in the fall of this year. The deadline for submission is 5:00 p.m. Friday, August 1, 2014. The Foundation's specific application form must be used.

Hayswood grants are available to nonprofit organizations that promote education, or provide mental or physical health services in the seven county area including Bracken, Fleming, Lewis, Mason, and Robertson Counties in Kentucky, and Brown and Adams Counties in Ohio. Applying organizations must provide proof that they are recognized by the Internal Revenue Service as being eligible to receive income tax deductible contributions from individuals. Preference will be given to organizations that qualify under Section 501(c)(3). Grants are not made for programs or purposes involving political action, or that predominately involve religious or social indoctrination or action. In addition, grants are not made to, or for the benefit of, individuals. Additional information about the submission process is provided with the application form, and is on the Foundation's website, www.hayswood.org.

Application forms may be obtained on the Foundation's website, as well as at the Foundation's office in Suite 3A of the Brown- ing Medical Building, on McDonald Parkway in Maysville. Applications may also be requested by emailing hfound@maysvilleky.net.

2014 Augusta Riverfest Regatta will be hosting a Junior Miss and Miss Augusta Riverfest Regatta Pageant

For the first time the Augusta Riverfest Regatta will have two age groups for their annual pageant competition. Traditionally done with a broad age range they feel that by providing two age groups this allows younger contestants a more age appropriate competition. As with tradition this pageant remains based on the Southern belle period costume provided by each contestant and their poise in answering on stage questions. The pageant has nearly a 30 year history associated with the festival and they would love to celebrate by inviting all former Queens to attend and be recognized for their part of this wonderful tradition. The Jr. Miss and Queen will take part in a variety of activities throughout the festival and will receive a crown, sash, flowers and a variety of prizes including a free dress from Rose Hill Boutique. Each contestant will also receive a gift to commemorate their involvement in this wonderful tradition.

The entry fee is \$10 and needs to be sent to the Augusta City Office. Applications and information will be available at Rose Hill Boutique, Amy's Blue Daisy, the Augusta City Office, and online at www.augustaky.com. Proof age (copy of birth certificate or driver's license) is mandatory for all age groups. All applications are due by July 16, 2014. For returning Queens please RSVP to rosehillboutique@gmail.com or 502-381-1483.

Junior Miss Augusta Riverfest Regatta

Pageant is open to contestants aged 9-14. The contestants will be required to answer on-stage questions. The winner will be required to attend the opening Ceremony on Saturday, July 19th at 10 a.m. and be present July 19-20 during the day. You are asked to wear your pageant crown and sash. If the winner cannot fulfill her duty, the crown and title will

be given to the 1st runner up of her division. Unsportsmanlike conduct will not be tolerated. Contestants displaying such behavior will be disqualified without a refund. All decisions are final and score sheets will not be given out.

Miss Augusta Riverfest Regatta

Pageant is open to contestants aged 15-22. The contestants will be required to answer on-stage questions. The winner will be required to attend the opening Ceremony on Saturday, July 19th at 10am and be present July 19-20 during the day. You are asked to wear your pageant crown and sash. If the winner cannot fulfill her duty, the crown and title will be given to the 1st runner up of her division. Unsportsmanlike conduct will not be tolerated. Contestants displaying such behavior will be disqualified without a refund. All decisions are final and score sheets will not be given out.

The Pageant will be held on Friday, July 18, at 6 p.m. at the Rock Stage on Riverside Drive. All contestants must be there at least 30 minutes before. Rose Hill Boutique at 131 Main Street Augusta, KY will be open for dressing between 4-6 p.m.

Contestants will be required to wear period southern belle dresses. Use your imagination, think "Gone with the Wind."

A winner and 2 runners-up will be chosen. The winner will receive a crown, trophy, sash and various prizes. The runners-up will receive a trophy and prizes, as well. Each contestant will receive a gift.

An informational meeting and practice will be held Friday, July 18, at 3 p.m. at the Rock Stage on Riverside Drive. Attendance is required.

TRASH TALK

606-735-9960

Howdy Folks! Happy Independence Day and Happy 10th Birthday to grandson Caleb! We look back on this last decade and wonder how did it go by so quickly? Caleb was born on July 3, on July 15, Papaw Raymond passed away and then on August 4, we were hired as Solid Waste Coordinator of Bracken County! As with every one of you, in these past ten years we have seen tragedies, marriages, births, deaths and many blessings to counteract and sustain us during the sad and unpleasant times. Through it all, we have had the support and love of many family and friends! Truly, this Fourth of July is one to celebrate, enjoy and give thanks for our many freedoms and to appreciate the sacrifices made by so many men and women during the formation years of our country. And today, we pause to honor those who continue to fight for and defend the rights of freedom for all American citizens as well as those of foreign countries. May God bless this nation and give us leaders who are worthy of those positions!

Next week we will begin our Summer Road Clean and ask that all motorists be on the lookout for the Litter Patrol Workers and drive with extreme caution when encountering these workers. It is unfortunate that we need folks to walk along the highways to pick up litter that someone has so carelessly tossed out. Littering is a totally irresponsible habit, but bad habits can be broken and replaced with good ones! We urge all litterbugs to begin carrying a litter bag in their vehicle and then use it! If you have called to sign up for the Summer Road Clean and have not heard from us, please give us a call.

Just as littering is an illegal action, putting food into the Recycling Trailers is also an illegal action. For

some unknown reason, the Germantown Trailer has become a catch-all for non-recyclable items. Last week, we once again retrieved two carry-out boxes that had very moldy dinners in them, a package of rolls and two pizza boxes that had actually been taped shut that contained remnants of someone cleaning out a refrigerator! If you see anyone putting food items into any of the trailers, please give us a call! Recycling materials are hand sorted at the Recycling Center and we can assure you that no one wants to put their hands into someone's moldy dinner box!

Another problem occurring with all trailers concerns shredded paper. In order for shredded paper to get recycled, it must be tied up in a separate bag. The key words here are "tied up" and "separate". It doesn't matter if it is a small bag or a large bag, it must be securely tied and contain only shredded paper. Open bags of shredded paper get spilled out and become useless. Shredded paper in bags with other recycling also becomes useless because those bags must be opened in order to retrieve the other recycling. Once these bags are opened, it becomes impossible then to save the shredded paper. When you stop and think about the rules and regulations of the recycling trailers, they boil down to using common sense and if there is a gray area regarding some items, give us a call and we can brighten up your day (and ours!).

Once again, we sing the praises of all military men and women for defending our independence and urge everyone to support that independence by RECYCLING, REUSING and REDUCING to keep God's earth clean, green and beautiful! Be seen' you – Bin & Bug.

Grace Welte Graduates from the University of Notre Dame

Grace Welte is congratulated for completing a Bachelors degree from the Mendoza College of Business in May, 2014. During her 4 years at college, some of her activities and experiences consisted of: work studies, volunteer work in the United States and overseas, and internships, etc. Grace was fortunate to meet Notre Dame Alumni as she did her internships. Their generous support was greatly appreciated and apparent everywhere she traveled.

loitte, she plans to travel to Mexico.

She received scholarships from Philip Morris Tobacco Company and the Haywood Foundation. She was the runner-up in the writer’s prize from the Norton Company in New York.

She studied abroad in Australia. She has traveled to the countries of Guatemala, Singapore, Thailand, Cambodia, Bali, and New Zealand, and is currently visiting Brazil.

During her junior year, she was offered a job at Deloitte in Northern Virginia. Before starting work at De-

A graduate of St. Patrick School in Maysville, she is the daughter of Ja and Richard Welte of Augusta. She admires her three amazing brothers and sisters-in-laws, who have supported her in every way. She has one nephew, Bracken Paul, and is awaiting the arrival of a second nephew.

Grace’s mother, Ja, said she loves that Grace had all straight A grades while at the University of Notre Dame, and wishes her good luck as she begins the next chapter in her life.

STARS, STRIPES & SAFETY Many Pets are lost or injured when frightened by fireworks

- Keep your pet inside during the fireworks
- Make sure your pet is wearing current ID and /or a microchip
- Music or the TV can help drown out fireworks
- Play games or exercise your pet to distract them, coddling a frightened dog will reinforce her fear.

Eye to Eye
with David Blandford, M.D.

RETINAL VASCULAR OCCLUSION

Sudden loss of vision that typically occurs in one eye without any experience of pain may be due to retinal vascular occlusion. This interruption of blood flow to or from the retina may be due to a clot or blockage in the main vein or artery or any of their various branches. A blockage in the retinal vein or artery can cause blood or other fluids to build up and impede the retina's ability to filter light properly, prompting sudden vision loss to occur. The severity of the vision loss can vary in accordance with where the blockage occurs. Thus, it is very important that the ophthalmologist perform a comprehensive eye examination at the first sign of sudden vision loss. Retinal vascular occlusion is a potentially serious condition, especially if hardening of the arteries already exists. If you think you may be suffering from an eye disease, it is important to visit an experienced ophthalmologist, who can diagnose your condition and recommend the proper course of treatment. At **KENTUCKY EYE INSTITUTE**, we stress preventive eye health care for the entire family. When was the last time you had a comprehensive eye examination? Call **606.759.7883 or 800.658.7282** to schedule an appointment. We're located at **1937 Old Main St., Suite 1, Old Washington**, where you can trust your eyes to our experience and expertise. We specialize in "EYE CARE FOR ALL AGES."

P.S. Because retinal vascular occlusion can be traced to vascular problems, the best prevention is to make lifestyle and dietary changes to protect your blood vessels, including exercising, losing weight, controlling diabetes, and giving up smoking.

Sports in Kentucky

by Bob Watkins

Major League Baseball at halftime, still the bedrock of American Sport.

Major League Baseball. Our grand old game reached its half-way mark last week-end, 81 games played, 81 left.

Nothing quite like the regal old game for those of us who ignore the critics "... too slow, too long, too boring, too old." Baseball remains the bedrock of American sport. Beautiful and precise. Game of inches on a green ... sounds, smells, strategies and seventh inning stretch and ageless anthem.

"Take Me Out to The Ball game ... I don't care if I ever get back!"

Then, statistics to affirm whatever we want them to in debate. To wit: Ted Williams was best there ever was. Or, was it Joe DiMaggio? Think of it, they played eons ago, but we know them as if they played yesterday.

They link us to America's Pastime for a life time as much as Field of Dreams, The Natural and Eight Men Out.

Baseball and money? We take pleasure in seeing underdogs - small market teams with modest budgets - compete well enough with the Cadillac crowd. The Los Angeles Dodgers and New York Yankees whose estimated payrolls are \$212 million and \$208 million respectively.

Meanwhile, the Milwaukee Brewers's payroll is \$91.6; St. Louis Cardinals \$99.9 and the Pittsburgh Pirates \$71.5 million.

Attendance at all three ball parks is up from 2013.

Where is your favorite team in the standings this week? Still has a shot at the playoffs, right? Of course it does. 81 games left.

The Pirates are two games over .500 today.

Baseball. America's game.

VANDERBILT 'DORES ARE KINGS

The Southeastern Conference is in the king's row of college football and basketball (mostly Kentucky and Tennessee), and today, baseball.

The Vanderbilt Commodores staked out a spot on SEC king's row last month, winning the college world series.

What's it mean? Vanderbilt U. has a nationally marketable logo to pair with ultra marketable colors, black and gold.

America loves its when underdog wins.

And, it probably means a cable price hike before the SEC Network ever gets to your teevee screen next month.

NBA DRAFT & KENTUCKY

Russ Smith. Tears shed over Russ Smith NBA draft saga is a nonsensical waste of water.

Long term and big picture, only one stumbling block kept the Louisville graduate and All-American from getting the best of it. Not being an NBA first round pick (guaranteed salary), then being selected 47th and traded was worst thing to happen.

If he had gone undrafted and emerged as a free agent Smith's agent could have shopped him into a job where his (free lance) skills would be effective.

UofL fans may not like it, but no NBA GM is interested in paying large dollars to a streaky shoot-first, pass-as-last-resort 160-pound point guard who follows coach instruction some times.

Footnote: With all Rick Pitino's influence in NBA circles one could conclude Da Coach's willingness to help Smith was tepid.

Next?

Julius Randle and James Young. How good is this: Seven months at one of the country's elite college programs, then zoom, each heads to teams with illustrious NBA histories? Randle is a Los Angeles Laker millionaire, Young is same as a Boston Celtic.

SHOW ME THE MONEY DEPARTMENT

Julius Randle felt he should have been chosen higher than seventh. His rookie pay sched-

ule: \$2.4 million first year, \$2.5 million for second and \$2.6 million for a third.

James Young's salary: Year on for player chosen 17th - \$1.3 million, then \$1.4 million each for next two years.

Since 1947 Kentucky has had 112 players into the NBA, according to an athletic department press release.

In 1958 Johnny Cox was picked by the New York Knicks after his junior season (NCAA championship) and then in 1959 by Chicago Zephyrs; In 1960 Roger Newman was drafted, but UK records show he played for the Syracuse Nationals in 1961.

UK record keeping can be shaky. For example, first UK player to play professionally was reportedly Bob Cluggish in 1946.

The Lettermen list includes no such name. In 1938-40 Marion Cluggish, Corbin native, played two seasons for Adolph Rupp, then no history of professional basketball career.

First UK player officially drafted by an NBA team? Jack Tingle, 1947, Washington Capitals.

FOOTBALL

Louisville. Promising season ahead for Louisville fans. Using Charlie Strong recruits, coach Bob Petrino's Cardinals are preseason ranked 15th in three of four national polls - Associated Press, Coaches and CBS. UofL is 18th, according to BCS.

A game that could earn national game of the year billing and reset television viewer ratings, No. 1 ranked (in all polls) and defending national champion Florida State comes to Louisville for a Thursday night game, October 30.

Western Kentucky. Pre-season ranked 90th among the 128 Division One teams, says USA Today.

Hilltopper opponents and ranking include: UAB (120), Army (118), Texas-El Paso (114) and Florida Atlantic (97).

Kentucky. Ranked 104th by USA Today, no surprise Kentucky is looking down a cannon barrel again, but there are reasons for optimism.

√ Five of first six games at home. And yes, No. 4 ranked South Carolina is one.

√ A trip to Florida September 14 is less daunting than in seasons past. Could be a signature win for coach Mark Stoops program. The Gators, for the first time in recent memory, are not listed in any national Top 25.

√ An R&R (rest and recovery) open date after Florida before consecutive Saturdays with Vanderbilt, South Carolina and Louisiana Monroe at Commonwealth Stadium.

CALIPARI CHIRP

John Calipari had a tweet during the NBA Draft last month. "I wish ESPN would stop saying we have had 18 draft picks over the last five years when we've had 19. They keep leaving off Enes Kanter."

Calipari is right. He used not-eligible Kanter at practice for seven months, farmed him and fed him until the 2011 NBA Draft in June. The coach wants credit, he should have it.

Logical question: What did the 6-11, 247-pound Turkish professional contribute to University of Kentucky?

Answer: Tallest civilian clothes horse sitting the bench until draft day.

WORTH REPEATING DEPARTMENT

Was my pleasure to speak at Lions Club luncheon in Henderson last month. Afterwards a gentleman stepped up to shake hands and enlighten me: "You sure have a nerve to come into Cincinnati Reds and St. Louis Cardinals country wearing a shirt for the Pittsburgh Pirates. And so it goes.

KY Sheriffs' Boys & Girls Ranch marks 39th year of summer camp

The Kentucky Sheriffs' Boys & Girls Ranch summer camping program opened for their 39th camping season on Sunday, June 15th, with boys in attendance. The camp runs throughout June and July, serving both boys & girls, alternately throughout the camp season.

Bracken County boys in attendance during the first session were Tucker Spencer and Matthew Osborne. The boys are pictured above with Bracken County Sheriff Howard Niemeier, Deputy Bob Scott, and Ranch Head Counselor, Johnny Lewis.

The Boys & Girls Ranch is a non-profit organization, serving Kentucky's youth through a summer camping program designed to build their self-esteem, while teaching them respect for themselves, others and law enforcement professionals. The camp is free to the campers, thanks to the dedication and support of Kentucky's Sheriffs, members and contributors. The cost of serving the children is now well over \$300.00 per week per child. With continued support from their contributors, they will continue to reach these most deserving youth.

"In addition to regular camp activities such as camp fires, arts & crafts, nature, sports, swimming, fishing, archery, and many others, the campers also enjoy race cars presented by local citizens, a fire prevention program by the Gilbertsville Fire Department, a drug awareness education program by the Marshall County Sheriffs' Office, and the McCracken County Child Watch program," Jerry Wagner, Executive Director, said. "It should be a week filled with fun and learning for the campers. We hope the campers create a lifetime of memories during their stay, as well as learn the values of respect and many other life skills."

For more information about the Boys & Girls Ranch or how you can invest in a child's life and help build Kentucky's youth, call the Ranch at 270/362-8660.

There is a boil water advisory for the City of Brooksville until further notice.

YARD SALES ARE FULL OF BARGAINS! (See page 8)

REQUEST FOR QUALIFICATIONS

The Bracken County Water District will accept Statements of Qualifications from consulting engineering firms for planning, design, construction and other required engineering relating to water systems relocation and improvements included in a Kentucky State Highway Improvement Project. Sources of funding may include, but not limited to, USDA Rural Development, State Revolving Funds (SRF) and others. Firms wishing to be considered should send a statement of qualifications to Bracken County Water District, P.O. Box 201, Brooksville, KY 41004. Proposals must be received by 4:30 p.m. (local time) July 15, 2014. Proposals will be reviewed at the board of commissioners meeting at 9:00 a.m. on July 16, 2014.

Statements should include a description of the firm’s capabilities and experience in the field of water system engineering, resumes of individuals to be assigned to the project, a listing of similar projects along with reference information. Firms responding to this request will be ranked according to the information submitted. The Water District will negotiate with the highest ranked firm to execute an engineering services agreement. If the parties are unable to negotiate a satisfactory agreement, the second ranked firm will be contacted. Once a firm has been selected, all other firms will be promptly notified.

The solicitation for Statements of Qualifications is being conducted to fulfill state/federal funding agency procurement requirements. Attention of respondents to this RFQ is called to the following requirements: 1) Section 3 of the Housing and Urban Development Act of 1968; 2) Section 109 of the Housing and Community Development Act of 1974; 3) Title VI of the Civil Rights Act of 1964; 4) Executive Order 11246; 5) Certification of Non-segregated Facilities. All of these may be incorporated into any contract issued pursuant to this solicitation.

The Bracken County Water District reserves the right to reject any and all responses, to waive any technicalities, and to negotiate with the respondent who most nearly meets the project requirements. The Water District is not responsible or liable for any costs incurred by consultants replying to this request.

The Bracken County Water District is an equal opportunity provider and employer.
